

Serial No. 09/813,463  
Docket No: 098810/027 8740

### REMARKS

This Response is being filed in connection with the *Ex parte Quayle* Action mailed April 5, 2005. Claims 19 to 21 and 23 have been allowed.

The application is in condition for allowance except for formal matters. In particular, the Examiner has requested 1) a reference to priority application serial no. 09/055,263 be made in the first sentence of the specification; 2) a revised abstract; and 3) a revised title. As set forth herein, Applicants have amended the specification to reference the priority applications and the relationship of the subject application to the priority applications. Applicants have also amended the title and submit herewith a new abstract. The amendments and new abstract do not add new matter as they merely address formal matters. Accordingly, Applicants therefore respectfully request that the Examiner enter the amendments and new abstract.

In view of the amendments and new abstract, all formal matters have been addressed. Applicants therefore respectfully request that the Examiner issue a Notice of Allowance.
